# Auto Dimming Mirrors

*Are headlights from following cars driving you crazy?*

CIPA-USA's Auto Dimming Mirrors are the perfect solution! Manufactured by Magna Donnelly, these Solid Polymer self-dimming mirrors virtually eliminate glare with their advanced microprocessor control.

*Features available (see model for details):*

- 8-point Compass display
- Large, easy-to-read display
- Outside Temperature display (F° or C°)
- Warning flashes "ICE" when temperatures drop below 37° F
- Integrated Map Lights
- Installs easily on most vehicles
- CAMLOCK mount available for foreign-manufactured vehicles
